SIR,

I have the honour to forward herewith the enclosed letter No. 225 dated 25th November 1908 from Mr. Leslie Coleman, Mycologist and Entomologist, asking for a permanent advance of Rs.50/- in addition to the sum of Rs.100/- held by the late Agricultural Chemist. Out of this Rs.100/-, Rs.50/- is given to the Manager of the Hebbal Farm and Rs.10/- to the Acting Inspector in charge of the laboratory compound, leaving a balance of Rs. 40/- which Mr. Coleman states is insufficient to meet his expenses. As this is required for the contingent expenditure of the Mycologist and Entomologist, for which a sum of Rs.735/- has been provided in the budget, exclusive of the grants for the Agricultural Department as it existed hitherto, the permanent advance of Rs.50/- now applied for may be sanctioned, if there will be no reduction in the expenditure of that Department-consequent upon the services of Dr.Lehman having been dispensed with. For a contingent expenditure of Rs.735/- a permanent advance of Rs.25/- ought to suffice. But as a provision of Rs.7500/- has also been made for laboratory fittings, out of which

The Secretary to the Government of His Highness

Through the Comptroller to the Government of Mysore.

Sir,

With reference to your letter No. R. 2928 / Agri. 73-08-2 dated the 14th November 1908, I have the honour to state that I am using what is available out of the permanent advance of the Agricultural Chemist. But as a sum of Rs. 50/- is always kept with the Manager of the Hebbal Experimental Farm and a further sum of Rs. 10/- with the Agricultural Inspector in charge of the Laboratory Compound for expenses connected with their respective charges, there is left only a small sum of Rs. 40/- which I can possibly use. This sum is quite inadequate for my needs as I very often have to meet heavy expenses in connection with tours &c in places far away from any Government treasury. I may also be permitted to add that in a laboratory that is kept going all the time, unforeseen items of expenditure will arise and the sum at my disposal will practically be the small balance which will be left out of the Rs. 40/- after providing for these contingencies. I have therefore the honor to request that you will be so good as to obtain the sanction of Government to place a permanent advance of Rs. 50/- at my disposal to enable me to incur petty expenses which have to be paid at once before money can be obtained on a contingent bill.
